

MEMBERDENT

## PROGRAM DETAILS & PRICING

**Both Quality Dental Plan and MemberDent were designed to be cost-effective for dentists — and for patients.**

Best of all, MemberDent & QDP member dentists keep 100% of all patient fees collected, and don't have to line the pockets of insurance companies. And our members' practices typically increase collections by over 20%!

With MemberDent & QDP, you determine your practice's own list of covered treatments, patient savings and membership fees. Our knowledgeable team can always assist by providing helpful guidelines based on our experience and proprietary methodology.
